

Annual Report Opioid Treatment Programs

Universal Items

1. Submit policies on admitting, treating, and referring methadone maintained clients.
2. Submit policies and procedures that describe opportunities for consumer feedback, input, and procedures for incorporating this information in service provision. Also include one or more examples of issues that have been reviewed in your specific program because of consumer feedback. Attach blank copies of consumer feedback forms used by your program (e.g., consumer satisfaction surveys). (See page 36 BSAS Terms and Conditions).

Specific Items

1. Submit your payment policies and a copy of your sliding fee scale.
2. Submit a copy of your policies and procedures for serving pregnant clients.
3. Submit your development and implementation plan for HIV/AIDS education of clients.
